## **CONSTRUCTION:**

1. Card Base: 5 1/2" x 8" scored at 4 1/2" in Cherry Cobbler CS
2. Cut two 4" x 5 1/4" panels of white CS (one for front layer and other for inside card). Cut one 2 1/2" x 3 1/2" panel of Mint Macaron CS. Cut one 2 1/2" x 3 1/2" piece of Vellum CS, and one 4" x 2" piece of Cherry Cobbler.
3. Use the Festive Foliage stamp to emboss the 4" x 5 1/4" panel of white CS with Versamark and gold embossing powder. Use the Stampin' Blend markers to color in the foliage.
4. Emboss the 2 1/2" x 3 1/2" panel of Mint Macaron in gold using the same stamp.
5. Ink up the Festive Foliage stamp with Evening Evergreen and stamp the vellum CS. Heat emboss with clear embossing powder. Use Stampin' Blends to color in details
6. Adhere top white panel to the card base with Multi-Purpose glue.
7. Put a strip of glue under the vellum where the ribbon will cover it and adhere to the Mint Macaron panel horizontally.

8. Use Evening Evergreen ribbon to wrap down the middle of the Mint Macaron panel, then adhere a bow using the same ribbon with a Mini-Glue dot. Adhere the panel vertically with Stampin' Dimensionals.
9. Stamp and emboss with gold the sentiment from Charming Sentiments onto the Cherry Cobbler CS. Use the matching die from Charming Sentiments to cut it out. Use mini-dimensionals to adhere the sentiment to the vellum. Add a few dimensionals beneath the vellum so that they are hidden by the sentiment.
10. Stamp the 4" x 5 1/4" white CS panel with images from Christmas Season at the bottom corners with Evening Evergreen and Cherry Cobbler. Or you could stamp them in black and then use Stampin' Blends to color in details. Adhere panel to inside of card with glue.
